

CALTRANS COMMUTER ALERT

Date: Thursday, August 18, 2011
District: 6 - Fresno
Contact: Gloria Rodriguez (559) 444-2409
Email: gloria_rodriguez@dot.ca.gov

PAVEMENT IMPROVEMENT PROJECT ON STATE ROUTE 145 IN FRESNO COUNTY BEGINS NEXT WEEK

WHAT: LANE CLOSURES IN BOTH DIRECTIONS ON STATE ROUTE 145 FOR
PAVEMENT REHABILITATION OPERATIONS

WHEN: NEXT WEEK, MONDAY-FRIDAY, FROM 6:00 A.M. - 6:00 P.M. DAILY

WHERE: IN FRESNO COUNTY; ALONG STATE ROUTE 145 FROM MANNING
AVENUE TO JENSEN AVENUE

The California Department of Transportation (Caltrans) announces that **Granite Construction Inc.** will begin pavement overlay and striping operations in both directions along State Route 145 in Fresno County. This 8.4 mile project is anticipated to be completed in approximately four weeks and will require reversing traffic control operations with flaggers and pilot car in order to safely complete this project.

Motorists may expect up to 10-minute delays within the project limits Monday-Friday. Signage will be in place along these routes advising motorists of upcoming lane closures and possible delays. **Motorists are encouraged to avoid this area or use an alternate route whenever possible.** Due to uncontrollable events which may occur during construction, scheduled closures may continue for a longer period of time if necessary.

Caltrans thanks the residents, businesses and commuters for their patience during this construction project. Caltrans reminds motorists to adhere to all posted signage within the project limits. Questions regarding this project should be directed to the number listed above.
